MUSIC DIRECTOR'S MESSAGE

We are so fortunate to have such a dedicated Brassroots audience. You are truly one of a kind. Always eager for a musical adventure when we are joined by extraordinary guest artists in the city, but you also love hearing Brassroots front and centre. Every season we make sure to include a concert where the ensemble can really show off and let the horns play all out. Carnival! is that concert this season.

We will be throwing a musical party to heat up the winter. The midwinter celebration of Carnival has a rich musical tradition all over the world and we will be showcasing music from Brazil, New Orleans and Quebec among other locals.

Carnival, Mardi Gras, whatever you like to call it is a time of excess, extravagance, and unadulterated fun and that is what we promise you on February 3rd!

Come for the Carnival! - Jeff Christmas

Message from the Chair of Brassroots

Happy Brassroots New Year!

Thanks to everyone involved in an our amazing Holiday concert! It was such a thrill to see the smiling faces all around!

We look forward to the awesome presentation that our Music Director, Jeff Christmas has crafted for our upcoming "Carnival" concert. I have fond memories of "Leissez les bon temps rouler!"

I wanted to thank two people publicly. One person is our bass trombone player and board member, Susan Follows. Like everyone in Brassroots, Susan spends countless hours preparing her trombone music for our performances. However, she is also a hard working board member! As treasurer she is always trying to come up with clever ways to either save us money or raise some more money so we can continue presenting our concert series. Susan recently came across a "donate your car" initiative. She researched it, and with the help of our hard-working Adam Corrigan Holowitz they were able to implement the procedure. Thanks Sue for your devotion to Brassroots!

Speaking of the "donate a car" programme, I would like to thank Tim Lockwood. Long-time Brassroots followers will recognize Tim, since he often plays horn in the group. However, he and his family have been financial supporters for years. Tim said "My mom came across the donate a car programme in your last newsletter, and we were trying to figure out how to get rid of a car, so thought it would be a good cause. It was super easy. Filled out the form and it was gone within a couple of days." Thanks Tim (and your Mom!) for your donation and all your help on horn over the years!

See how easy it is to contribute to Brassroots? We would appreciate any help you could give us, whether it be donating a car, or just a donation. As folks in the music industry are fond of saying, "ticket sales are not enough to allow us to continue presenting our concerts."

Enjoy "Carnival!" Karl Hermann, Chairperson of Brassroots
